DEPARTMENT OF STATE

Washington, D.C. 20520

March 11, 1974

Dear Bill:

As you know, the Department is in the process of preparing the Secretary's annual report. This year we plan to include an eight-page, four-color section of charts and graphs, based mostly on material originally prepared by CIA.

I understand Ambassador Funkhouser and Dr. Hodgson, the Department Geographer, have discussed with your people our need for further CIA assistance in printing this color section, and I am most pleased to hear that you will be able to help us. It is the consensus of those in State who have worked with your printing operation that it produces consistently high-quality materials. (Your atlases on China and the Middle East are marvelous.) I understand this formal request from us and approval by you or the appropriate officer at CIA is required.

We will provide data and camera-ready copy to whom-ever you designate. I believe it would be most efficient if details are handled at our end by Willard M. McLaughlin, Chief of the Publishing and Reproduction Division. Mr. McLaughlin's office is coordinating all production activities on the Secretary's report.

I look forward to hearing from you, and hope you can accommodate us in this project.

Sincerely,

Carol C. Laise
Assistant Secretary
for Public Affairs

The Honorable
William E. Colby,
Central Intelligence Agency.
